6th October 2026

Dear Parents and Carers,

Year 4 Multiplication Tables Check – Parent Workshop Invitation

As you may be aware, all Year 4 pupils will take part in the **National Multiplication Tables Check (MTC)** during the summer term. This is a short, online assessment designed to check pupils' fluency in recalling multiplication facts up to 12×12 . The check is statutory for all schools in England and plays an important role in supporting children's mathematical confidence.

To ensure your child feels confident and well prepared, we are keen to work in partnership with you and share practical, engaging ways you can support multiplication practice at home.

Miss Crawford, our Maths Lead at Brookmead School, alongside the Year 4 teaching team, will be running a parent workshop on:

Tuesday 13th October at 10:30am, directly after the harvest assembly

During the session, we will:

- Explain what the Multiplication Tables Check involves and how it is administered
- Share examples of the types of questions children will see
- Discuss how the results are used and how we support children in school
- Provide practical tips, games, and strategies to help your child practise at home in a fun and manageable way
- Answer any questions you may have about the assessment or supporting your child's learning

Please confirm attendance by completing the short form below:

<https://forms.gle/hTPkAjoRCsDZDND37>

For further information about the Multiplication Tables Check, you may also find this guidance helpful:

<https://www.gov.uk/government/collections/multiplication-tables-check>

We hope you can join us and look forward to working together to support your child's success.

Kind regards,

**Miss Crawford
Maths Lead
and the Year 4 Team**
