Dear Parents and Carers

Year 6 SATs Information Session

We are writing to invite you to an important information session on Tuesday 3 November at 4.00pm. During this session, teachers will discuss the forthcoming SATs (Statutory Assessment Tests) with parents so you are clear on their purpose, as well as how we can work together to ensure your child achieves their best possible academic outcomes in preparation for secondary school.

The session will provide guidance on ways you can support your child's learning and how we will help them feel confident and supported in school. It is extremely important that all parents and carers attend, as the information shared will play a key role in helping your child feel prepared and supported throughout the SATs process.

In addition, from Monday 9 November, your child will begin receiving home learning activities to support their continued development and to prepare them for the home learning that they will receive at secondary school this time next year. Each week, children will receive a short reading, grammar, and maths task, designed to reinforce the learning that has taken place in school. Tasks will be given on a Monday and due the following Monday. Your support in ensuring your child completes these activities will be invaluable in helping them continue to progress and achieve their best outcomes.

To help us plan, please complete the following Google Form to confirm your attendance:

<https://forms.gle/JfRx3TzesEJ8bshG9>

Thank you for your continued support.

Kind regards

Miss Crawford and Mrs Clarke

Year 6 team
