

Together We Inspire, Challenge, Achieve

EYFS Parent Communication

Phonics

Next week's sounds: i, n, p, g, o

Your children will learn how to say and write these sounds.

Videos are available on Google Classroom to watch with your children at home, if you wish.

Maths

- Create sorting rules
- Compare amounts
- Compare size
- Compare mass
- Compare capacity

Try this at home...

Provide children with a selection of different-sized lids.
Have a large sheet of paper with outlines of the lids drawn on.

Ask children to match each lid to the correct outline on the paper.

This can also be done with different-sized containers and lids, where children have to match the lid to the correct container.

English

We will be learning 'Five Little Speckled Frogs' with actions. Following this, we will be text mapping (drawing) and innovating (changing) our nursery rhyme.

Wider Curriculum

Our book of the week is: The Owl Who Was Afraid Of The Dark

- People grow and change over time, from baby → toddler → now.
- Explain what a nocturnal animal is and name some of those animals.

Upcoming Dates and Notices

Stay and Play - Tuesday 22 September 8.40-9.00am

Library - Friday 25 September

Google Classroom Assignment

Thank you so much to those of you who have already uploaded pictures to Google Classroom. We have thoroughly enjoyed

🌟 Highlight of the Week

Meeting buddies and joining OPAL lunch times!

seeing their baby photos and noticing how much they have changed from then until now!

If you have not already uploaded photos, please do so by Monday 21 September, as the children will be using their pictures for a sequencing activity.
