

Together We Inspire, Challenge, Achieve

EYFS Parent Communication

Phonics

New week we will begin to introduce Set 1 single sounds. Videos will be available on Google Classroom to watch with your children at home, if you wish.

Next week's sounds: m, a, s, d, t

Your children will learn how to say and write these sounds.

Maths

- Match objects
- Match pictures and objects
- Identify a set
- Sort objects to a type
- Explore sorting techniques

Try this at home...

Provide a large collection of beads in a range of colours, shapes and sizes. Children will also need several small pots.

Encourage children to sort the beads into the different pots and explain how they have sorted them.

English

We will be learning 'Five Little Speckled Frogs' with actions. Following this, we will be text mapping (drawing) and innovating (changing) our nursery rhyme.

Wider Curriculum

Our book of the week is: Owl Babies

- Tools such as scissors and glue sticks must be used safely.
- Friendships are built through kindness, sharing, playing together and caring for one another, and good friends help each other feel happy and included.

Upcoming Dates and Notices

Meeting buddies - Monday 14 September

Stay and Play - Tuesday 15 September 8.40-9.00am

OPAL play session with buddies - Tuesday 15 September

Library - Friday 18 September

Meet the Teacher - Friday 18 September 9.05-9.35am

🌟 Highlight of the Week

We have been inspired by the obstacle course set up outside each morning and have loved creating our own version in the garden. The children have been brilliant at supporting their friends too, offering a helping hand whenever someone feels a little unsure.
